Sounds of Shapes

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

Circle, Circle

Everybody knows that the world is round

Circle, Circle

The wheels on the bus go round and round

Circle, Circle

Angela Merkel rhymes with circle

Circle, Circle

Oooohhh

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

I'm a square, beware

Look all around you'll see me everywhere

I'm there, and there, and there and there and there
and there

Don't you know it's hip to be square

If you're a square put your hands in the air

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

I am a triangle, oh boy a triangle

That's right a triangle, uh huh a triangle

Three corners triangle, three sides a triangle

Yes I'm a triangle, let's go now triangle!

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

- Dance break -

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

The sounds of shapes, the sounds of shapes, the
sounds of shapes

What sound does that shape make?

[Child's voice sample] I don't know!

AEIOU

You know what to do
Do you want to be
Be in charge with me

If I was the boss
I would keep you safe
I'd tell you when to stop
And when to stuff your face

I like runnin' and chicken wings
Chicken wings and runnin' , baby chicken wings
I like runnin' and chicken wings
Chicken wings and runnin' , baby chicken wings

AEIOU

You know what to do
Do you want to be
Be in charge with me
AEIOU

You know what to do
Do you want to be
Be in charge with me

Who's the Boss? US!

If I was the boss
And you had chicken pox
You could stay off school
And play on the xbox

If we can make anything
We can do anything
If we can make anything
We can do anything

AEIOU

You know what to do
Do you want to be
Be in charge with me
AEIOU

You know what to do
Do you want to be
Be in charge with me

(Layer vocals over the chorus)

Who's the Boss? US!

Tell them, to never, give away their rights!

Joke Song

I went to nursery the other day
I go to nursery cos that's where I play
I saw my friend there and when they spoke
They told me this excellent joke
They said:

Why did the lion cross the road?
Why did the lion cross the road?
Why did the lion cross the road?
Why did the lion cross the road?

Why? Why? Why? Why? Why? Why?

Because the Elephant wanted to rock!

I left the nursery about 2 o'clock
I put my coat on I was ready to rock
I saw my dad waiting at the door
And I said, hey dad I've got this great joke that you've
not hear before
I said:

Why did the Crocodile cross the road?
Why did the Crocodile cross the road?
Why did the Crocodile cross the road?
Why did the Crocodile cross the road?

Why? Why? Why? Why? Why? Why?

Because they wanted to cut their hair!

The lion will gather some jokes from the audience.
Then tell us his favourite joke.

What do you get when you cross a lion like me with a
snowman?

I don't know what do you get when you cross a lion like
you with snowman?

You get Frost BITE-TA!

Double time!

Why did the lion cross the road?
Why did the lion cross the road?
Why did the lion cross the road?
Why did the lion cross the road?

Why? Why? Why? Why? Why? Why?

Dizzy

I'm spinning, spinning round and round
I'm falling, falling to the ground
Feeling dizzy, a wee bit fizzy
I've been quite busy, gettin' dizzy.

My head feels dizzy
My hands feel dizzy woaha-o
My bum feels dizzy
My heart feels dizzy woaha-o-o-o-o

If your heart is beating, it means that you're alive.

Hey!

On a roundabout getting flung about
Spin in circles, like a turtle
Feeling dizzy, a wee bit fizzy
In a tornado, now here we go!

My head feels dizzy
My hands feel dizzy woaha-o
My bum feels dizzy
My heart feels dizzy woaha-o-o-o-o

If your heart is beating, it means that you're alive.

Octopus

Come aboard our sailing boat
It's called the HMS bumpy oh, I hope that it floats
Off to find an Octopus,
I hear it lives in Loch Lommond so we know where to
look
Sailing out, out, out in our boat
Sailing out, out, out out in our boat

3 hearts, no bones
Small spaces are it's home
Octopus, oh Octopus
8 legs, 9 brains
Beautiful colours never stays the same
Octopus, oh Octopus

I see something up ahead
A very big shape is it our Octopus friend
Suddenly a tail pops out,
It's a whale what is a talking about?
[Whale noises]
Sailing out, out, out in our boat
Sailing out, out, out out in our boat

3 hearts, no bones
Small spaces are it's home
Octopus, oh Octopus
8 legs, 9 brains
Beautiful colours never stays the same
Octopus, oh Octopus

We've been out at sea for days
When we see an Octopus cresting the wave
It's tentacles all wave hello
Before it swims back down deep below
Sailing out, out, out in our boat
Sailing out, out, out out in our boat

3 hearts, no bones
Small spaces are it's home
Octopus, oh Octopus
8 legs, 9 brains
Beautiful colours never stays the same
Octopus, oh Octopus

Same but Different

How old will I be on my next birthday?
Every night I'm growing in my sleep
I wake up and my hands are bigger
My clothes have changed, so have my feet
How old will I be on my next birthday?

When I'm older could I be?
Spiderman, a reindeer or a mermaid in the deep blue
sea

When I'm older could I be?
Wonder woman, a unicorn, a mermaid in the deep
blue sea

I'll be the same but different
I'll be the same but different

How old will I be on my next birthday?
I'm moving up to the big school
And the next time when I go swimming
It's the big flume and the deep end of the pool
How old will I be on my next birthday?

When I'm older I could be.
Supergirl, a unicorn, a mermaid in the deep blue sea
When I'm older I could be.
A teenage mutant ninja turtle, a mermaid in the deep
blue sea
When I'm older I could be.
Spiderman, a reindeer or a mermaid in the deep blue
sea
When I'm older I could be.
Wonder woman, a Goblin, a mermaid in the deep blue
sea

I'll be the same but different
I'll be the same but different

Dragon

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

The dragon lives in a cave,
A cave in a forest, a cave in a forest
Beside a volcano
A cave in a forest, a cave in a forest

See it's teeth,
hear it roar,
Watch out for it's fire breath
Watch out for it's fire breath!

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

Behind the container,
That's where the dragon hides,
that's where the dragon hides,
It hides from the rain,
That puts out it's fire breath, that puts out it's fire
breath

See it's teeth,
hear it roar,
Watch out for it's fire breath
Watch out for it's fire breath!

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

It's hard to hide a dragon,
it's not hard to find a dragon
Cos a dragon always comes home,
a dragon always comes home.

Nursery Raps

Twinkle Twinkle Little Star
How I wonder what you are
Up above the world so high
Like a diamond in the sky

When I say diamond you say sky.
Diamond
Sky
Diamond
Sky
Diamond
Sky
Diamond
Sky

When you wish upon a star it makes no difference
who you are.

Wind the bobbin up
Wind the bobbin up
Pull, pull, clap, clap, clap
Wind it back again, wind it back again
Pull, pull, clap, clap, clap
Point to the ceiling
Point to the floor
Point to the window
Point to the door
Clap your hands together, one, two, three
And place them gently on your knee

When I say wind, you say up
Wind
Up
Wind
Up
Wind
Up
Wind
Up

More Nursery rhymes from the audience.

When I say diamond you say sky.

Cold Cold Snow

Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!

The penguin will slide, The squirrels will hide
The geese always know the right way to go.

Wherever you go, you'll probably be cold
The coldest thing you'll ever know is cold cold snow.

Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!

Out on my sledge seeing the sights
I thought I saw a polar bear and the northern lights

A bunny ate my snowman's nose
My feet are wet and I can't feel my toes

Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow

Everywhere you go there might be snow
Snow comes in Winter time!
Everywhere you go there might be snow
Snow comes in Winter time!

Hands in gloves

Hands in gloves
Hot chocolate in mugs
Snuggle, snuggle, snuggle,

When I'm 10

When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9
When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9

When I'm 10 I'll be older
When I'm 10 I'll be big
When I'm 10 I'll build rainbows
I'll do grown up things

I'll go to the shops by myself
I'll play out in the street
When I'm 10 I'll cook dinner
I'll cook raspberries

When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9

When I'm 10 i'll watch TV
Films at Halloween
What will I wear for my costume
Whatever's the size of me

When I'm 10 on my birthday
When I'm 10 years old
I want a cake with my face on it
When I'm 10 years old

When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9
When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9
When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9
When I'm 1, 2, 3, 4, 5, 6, 7, 8, 9

When I'm 10!

I'm gonna have a cake with my face on it
I'm gonna have a cake with my face on it

I know I'll have fun
I used to be 1
Banana soup
I used to be 2
Cook raspberries
I used to be 3
Don't know much more
We're only 4
We're not even 5 yet!
We're not even 5 yet!

I know I'll have fun
I used to be 1
Banana soup
I used to be 2
Cook raspberries
I used to be 3
Don't know much more
We're only 4
We're not even 5 yet!
We're not even 5 yet!

I'm gonna have a cake with my face on it
I'm gonna have a cake with my face on it
